

LIFT TOOLS FOR TEAMS

LIFTING YOU, YOUR TEAM AND YOUR ORGANISATION.

Courage | Connection | Agility

Connecting Values and Behaviours.

In the grid below review your organisation's values and the alignment between these and the behaviours you observe in your team behaviours and your own too.

Discuss these results in your facilitated workshop with LIFT in small and large interactive working groups as guided on the day that may be designed to establish, review, realign/clarify or re-energise your values.

Then make a plan to celebrate what is working well and what we can do better from here.

This process strengthens your understanding and commitment of values and behaviours as one united team.

Organisational Value	Team Behaviours	My Behaviours
Eg Curiosity	<i>We do ask open questions</i>	<i>I listen patiently</i>
	<i>We don't listen well, rushed</i>	<i>I can be fixed in my view</i>
